# STORIES FROM THE BIZ CARE COMMUNITY

Read what Care professionals around Australia and New Zealand have to say about their Biz Care uniform.

**Hannah Jayne**  
Veterinary Nurse

As a busy vet nurse, having scrubs that fit, look good and are comfortable is hard to find. But my Biz Care scrubs are exactly that.

Plus they don't collect animal hair throughout the day, making laundry day a breeze.

Thanks Biz Care!

**Nurse Molly**  
[@nursemollyphoebe](#)

I love Biz Care products and scrubs, I always feel neat and tidy at work and know that they can go through anything the ward throws at me and will still look amazing after a good wash!

**SASH**  
Small Animal Specialist Hospital

It's never a boring day working in Australia's largest specialist and 24/7 emergency veterinary hospital. Thank goodness for scrubs - they are so easy to wear. They are lightweight, comfortable, durable, and look professional - exactly what we need when handling animals and seeing clients. Highly recommended.

**Elms Court Village**  
*Retirement Village*

With our Biz Care uniforms, we can be sure that our team always looks professional while caring for our residents. These uniforms offer everything we need - they are high quality, comfortable and easy to maintain.

**K9HQ**  
*Veterinarian Services*

We love our Biz Care scrubs - the animal hair does not stick to it, lots of pockets, washes well and dries so quickly - and comfortable!

**Nurse Hannah**  
*@thatnursehannah*

Biz Care have got me covered when it comes to comfort and style.

I live in my grape Riley scrubs- the vibrant colour cheers my patients up. I also love my navy Averys - they honestly feel like I'm wearing silky soft pajamas.

# HOW TO BUILD YOUR TEAMS NEW LOOK

First impressions count, especially when your business is service based. A good-looking uniform not only elevates your brand amongst your competitors but also fosters increased morale and productivity among your staff.

Our catalogue is designed to make building your team's new uniform easy in 4 simple steps.

BEFORE

1

**IDENTIFY DEPARTMENTS  
AND/OR JOB ROLES  
REQUIRING UNIFORM**

Colour-coding apparel for different departments can be helpful markers for your clientele. Refer to pages 8 - 21 for a snapshot of team dressing by colour story.

2

**PICK STYLES AND FABRICS  
BASED ON JOB ROLES  
AND FUNCTIONS**

Our entire range is designed to cater for both functional and non-functional roles. Available in a range of fabrics and styles to suit all budgets, body shapes and climates.

3

**ALLOCATE ENOUGH  
PIECES FOR EACH OF  
YOUR TEAM**

Providing the right allocation ensures staff have enough pieces to last them through their working week and increases the longevity of garments.

4

**READY TO  
ORDER?**

# A STEP IN THE RIGHT DIRECTION

We're committed to designing and manufacturing ethical and sustainable healthcare attire. At the core of our business is a long-standing commitment to ethical trading. We believe that businesses can be both profitable and responsible.

At Biz Care, we like to think of ourselves as masters of the tiniest details. From sourcing fabrics, to ensuring all our health wear designs are rigorously tested in dedicated laboratories and trialled on real workers to make sure we get the fit and functionality just right.

Biz Care garments have been designed to easily coordinate with the Biz Collection range to ensure everything works perfectly together providing a complete uniform solution.

## INNOVATIVE QUALITY IS AT THE HEART OF ALL WE DO

Our experienced team of designers, researchers and technicians are dedicated to sourcing innovative fabrics and processes. Before we release any new product, we perform rigorous testing and evaluation, both in-house and in the workplace. Our garments are fitted on real people, not mannequins, and we conduct wear trials with customers in the field to guarantee they're fit for purpose, comfort and durability.

## MORE CHOICES FOR EVERY BODY

We're the first to recognise that one size doesn't fit all, that's why we offer a vast range of styles, sizes and fabrics to suit all body shapes, industries and functional needs. We've created products that can be mixed and matched, catering for different work streams, job roles and also allowing each wearer to feel comfortable in their workwear.

## DELIVERING ON OUR PROMISE OF CARE

With a team of local staff in most states and at the ready to take your call, customer service is a natural extension of everything we do. Our library of fit ranges in some states is available to help you effortlessly conduct fittings and borrow samples easily and efficiently.

Because we hold stock in multiple warehouses across Australia and New Zealand, we can ensure your orders are processed, picked and dispatched quickly and efficiently.

## WE BELIEVE IN CORPORATE SOCIAL RESPONSIBILITY

We're proud of our parent company Fashion Biz's commitment to sourcing products and services in an ethically responsible manner. We consider the welfare of workers, health and safety and potential environmental impacts.

Our Ethical Sourcing Policy is primarily based on conducting business ethically, manufacturing responsibly and demonstrating environmental consciousness. We choose our partners carefully, with factories across India, China and Bangladesh which must adhere to international manufacturing standards, these may include:

Ethical Trade Initiative Base Code (ETI)

Supplier Ethical Data Exchange (Sedex) ETI/SMETA

Ethically Correct Certified Company SA 8000

Worldwide Responsible Accredited Production (WRAP)

Business Social Compliance Initiative (BSCI)

Textile Exchange's Global Recycled Standard (GRS)

Quality Approved ISO 9001

ISO 9001 Certification

Fashion Biz Ethical Sourcing Policy

We're making it a priority to change our product life cycle for the better. That means growing a better future for both our customers and the planet.

# WOMENS SIZE GUIDE

Biz Care apparel sizes are designed to fit average industry standards for the below body measurements. Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

Use these measurements as a guide when selecting the right size garment, but also take into consideration the garment fit.

**A. BUST** - Measure under your arms and across shoulder blades, around the fullest part of your bust.

**B. WAIST** - Measure around your natural waistline. This is the smallest part of your waist.

**C. HIP** - Measure around fullest part of your hips (about 20 - 24 cm down from waist) while standing naturally.

**PANT AND SKIRT LENGTHS** - Pants and skirts will vary in length depending on the height and shape of each individual. Most pants come with a hem allowance for easy alterations.
